about this exciting opportunity:**

*“ I never would have started or continued the college classes  
without T.E.A.C.H. The financial support and encouragement  
from the staff makes learning possible! ”*

*“ Without the T.E.A.C.H. program I would not be able  
to attend college and pursue an AA degree. Without the  
education I would not understand how children develop  
and what to teach them and how to help them ”*

**Career advisement

*“ The education I am receiving with the help of the  
T.E.A.C.H. scholarship will have a lasting impact on
